Artist: social mula and khalifan govinda

Also I like nigerian musics and other gospels

## SKILLS

Adobe photoshop

Microsoft office

Maintenane

Networking

Other 5 video and image editing softwares

Software deelopng is loading at 30

Through hardworking i will achieve other more skills.

## HOW TO USE SITE

This website is prepared as work, it contain contents about html and css

According to whatl prefer, i chose to work on site that provide musics

I like music soo, thats why i choose to works on it

This work contain 5pages:home,favorite trends,about, regist.

When you click links of trends page direct you to youtube

Register menu directs you to regist page where you fill form and submit

About\_me menu take you to conents about me and other contents that describe how this site built and work.

On this page there is design of submenus but contain nothing.

also this home page contain other menu called menu that hold short-

list of music I like.

THANK YOU!!
